

My friends, Tigger and Pooh

Shadow game

Starting

This shadow card game consists of 32 cards:

- 16 figure cards showing Winnie or one of his friends
- 16 shadow cards showing a scene in which the shadow of Winnie or one of his friends is missing.

Play alone:

Shuffle the 16 shadow cards and lay them face down on the table. Then lay the figure cards face up on the table.

Play with friends:

Shuffle the 16 figure cards and divide them between the two players, giving each player 8 figure cards. Each player lays his 8 figure cards face up on the table. Lay the 16 shadow cards face up on the table.

Playing

Play alone:

Turn over a shadow card and try to find its matching figure card. Then turn over another shadow card and find its matching figure card.

Play with friends:

One of the players begins by turning over a shadow card. The player whose figure card matches it places the card on top and turns over another shadow card.

Winning

Play Alone:

Try to match up all the cards as fast as you can. Try to beat your own record.

Play with friends:

The first player to match all of his figure cards is the winner!
